

In **English** we will be learning to :

Report on our visits and interests

Write formal and informal letters

Create adventure stories, pulling together characters, setting and plot

Build upon our poetical vocabulary

Use a variety of sentence structures with appropriate punctuation

Develop our fluency in reading

Interpret texts at a deeper level through comprehension

Spell Y3/4 patterns through dictation and handwriting

Questions we'll be asking...

- How were films first made? How has film making changed over time? Where is Hollywood?
- How are digital sound recordings and podcasts made?
- What are the human and physical features of North America?
- How do we see things? How do shadows change?
- Which different circuits can I make? What changes can I make to affect circuits?
- What does it mean if God is holy and loving?
- Can I play different notes and read notation for the recorder?
- Can I design and make a healthy cinema snack?

Beech Class Curriculum Information Summer Term 2017 **Lights, Camera, Action!**
