

In Literacy and Communication and Language we will be learning to...

- Use story structures when oral storytelling.
- Join in with stories, and recall settings, characters and events.
- Link sounds to letters, naming and sounding letters of the alphabet.
- Orally segment and blend words.
- Give meaning to the marks we make, increasingly using clearly identifiable letters.
- Use capital letters, full stops and finger spaces.
- Increasingly writing sentences and captions.

Questions we'll be asking...

- Where are the polar regions?
- Who lives in the polar regions? What language do they speak? What do they eat?
- Which animals live in the polar regions?
- Can you paint a polar scene?
- Which explorers went to polar regions?
- What is ice?
- Why are polar bears white?

EYFS - Curriculum Information  
Spring Term 2018

**Exploring Polar Regions**

The Polar Bear Son, Inuit traditional tale  
The Little Polar Bear, Hans de Beer

In Maths we will be learning to...

- Use number names and number language (0 - 30).
- Recite numbers in order to 30.
- Recognise numerals to 20.
- Identify one more and one less.
- Identify 2D and 3D shapes.
- Create addition number sentences.
- Solve addition and subtraction number problems.
- Use time language including names of days, months and seasons.

Reminders...

- Please hear your child read every day.
- Please practise counting in every day contexts and highlight numerals.
- Use time language, emphasizing days, months and seasons.
- PE is on Monday morning and Thursday afternoon.
- Forest Schools is on a Friday.
