'Knowing each child, growing each child, in God's love'

Friday 9th March 2018

Dear parents,

It has been a busy fortnight at school, despite the poor weather. Children from Ash Class and Pine class took part in a tennis coaching taster session with Legends Tennis. Children tried out a range of skills and played mini-games.

Good luck to our junior children who are performing on stage at the Royal Albert Hall this Sunday as part of the Hertfordshire Schools Music Gala. Children have been working incredibly hard to learn their parts by heart and will be performing with 500 children from across the County alongside the poet Michael Rosen.

Kind regards,

Mrs Bridgman

Science Week

We will be celebrating Science Week from 12th-16th March. All children will be taking part in a Waste Aware assembly and class session. Our younger children are also having a drama session linked to outer space. There will be a variety of science activities happening in class throughout the week.

Sport Relief

The school council are planning a mini-football tournament during the day at school on Friday 23rd March for Sports Relief. Children from Reception-Year 6 will be playing short matches in their house teams. Please make sure your child has their trainers in school. Please send a donation of £1 which will be sent to the Sport Relief charity.

PE Kit

Please make sure that your child has correct PE kit in school on Mondays (whole school) and Thursdays (Y1-6), including appropriate footwear.
