'Knowing each child, growing each child, in God's love'

Friday 23rd March 2018

Dear parents,

As you will see from some of the photos below, Science Week was a great success. All classes took part in the Waste Aware assembly and workshops. Our younger children all enjoyed drama workshop about outer space. Junior children made their own ice-cream and investigated absorbency.

I was incredibly proud of the pupils who joined me at the Royal Albert Hall to perform as part of the Hertfordshire Music Gala. It was a very long day as they rehearsed for over two hours before singing to an audience of almost 5000 people!

A huge well done to our Year 4,5 and 6 footballers who played in the tournament at Richard Hale School last Friday. Despite being up against mostly all-boy teams, our mixed group got some great results and came third in the rural schools competition.

Kind regards,

Mrs Bridgman

Easter Activities

Years 5 and 6 visited All Saints Church earlier this week as part of their 'Easter Experience' along with other local schools. The Bishop commented on our children's excellent RE knowledge and reflectiveness.

Children will be taking part in a range of Easter activities and worship times next week. Please be reminded that we finish for the Easter holidays on **Thursday 29th March at 2pm.**
