'Knowing each child, growing each child, in God's love'

Tuesday 17th April

Dear parents,

I would like to welcome everyone back to school and hope you enjoyed the Easter holidays. A special welcome to our newest children and their families - Edward, Lucy, Riley and James. We now have 44 children on roll. The term ahead promises to be another very busy one with many events planned. I have included the most important ones below. All dates are available on the website calendar.

Kind regards,

Mrs Bridgman

GDPR Preparation

On the 25th May 2018, the General Data Protection Regulations (GDPR) come into force in the UK. These are new data protection regulations build upon the Data Protection Act of 1998. The GDPR require public authorities and businesses to identify the lawful basis for storing personal data, audit information we already hold and take a 'data protection by design and default' approach to personal data.

We take data protection very seriously at Tonwell St Mary's. In line with GDPR requirements, we have already appointed a Data Protection Officer, Mrs Diana Howarth, to oversee our approach to data management and protection. In order to ensure that we comply with the new regulations, we are reviewing our current policies and practices. These will be available on the school's website in the next few weeks.

As part of this compliance process, we are also seeking to update the consent forms/home school agreements we have received from parents and pupils. The new regulations are clear that consent must be up-to-date and clearly recorded. From now on, lack of response cannot be interpreted as implied consent. We therefore ask that you return these to us promptly. To learn more about the General Data Protection Regulation, please visit the Information Commissioner's Office website on <http://ico.org.uk>

Dance Festival CDs

These are available for children who took part in the Hertford Theatre dance Festival to purchase from the school office for £2.50.
