'Knowing each child, growing each child, in God's love'

Friday 15th June

Dear Parents,

I would like to say a huge thank you to everyone who helped make our Summer Fair such a success. We had so many kind donations of cakes and prizes, as well as many volunteers who helped with setting up and running stalls. I am pleased to share that over £800 was raised. A special thank you to the members of Friend of Tonwell for their hard work planning and running the day.

Children from across the school enjoyed visiting our Pop-Up Synagogue last week. Children listened very carefully to a talk, were able to handle different artefacts and asked thoughtful questions.

Please join us for Parent Workshops next Friday 22nd June from 2.15pm-3.15pm. Mrs Barnes and Miss Fitzgerald will be leading these in the school hall and sharing ideas for how you can help at home with maths and English.

Kind regards,

Mrs Bridgman

ACTION: New road markings and signage are in place.

- **STEM Project**

STEM stands for science, technology, engineering and maths. They run challenge days and visits for children, as well as training for staff. We are linked to Chauncy School and 3 other local primaries. There will be funding available for us to take children to the STEM days and for staff to benefit from training and sharing good practice with other schools.
