Ash Class Newsletter

15th June 2018

Since half-term we have begun our new topic about superheroes, been on our school trip to Willows Farm and defended our classroom from the Evil Pea!

CLL: On our first day back we met Supertato, who was busy protecting us from some escaped Evil Peas! We wrote wanted posters and made traps to catch them. This week we have read the story of Superworm and written speech bubbles to imagine what the characters might have said.

the animals practicing our...

Here are a few topic related activity ideas to try at home:

- Read some superhero books or comics together. Discuss what you would do if you were a superhero. What powers would you have?
- Think of different ways to measure items around the home. Could you use hand-spans or spoon lengths? How can you make sure your measuring is accurate?
- Plant some sunflower seeds in pots. Discuss what the seeds need to live and measure them as they grow.

Have you tried any of the activities or noticed your child talking about any of the topics we have been learning about recently?
If so, please let us know below:

Many thanks,
Hannah Robinson-Moore
