Headteacher: Mrs Sarah Bridgman

Friday 3rd February 2017

Dear Parents,

Over the past two weeks, the children have been busy! Children in Years 1-6 had an assembly delivered by representatives from the NSPCC. Members of dance club have been preparing their entry for the Sports Partnership Dance festival where they will be performing on stage at Hertford Theatre. Years 5 and 6 children are writing stories for the Radio Two 500 words competition. Nursery and Reception children have been celebrating national bird watching week by making a bird table and food.

I look forward to welcoming many of you to our parent consultation evenings next week.

Kind regards,

S Bridgman

Mrs Bridgman

Parent Communication

We've very pleased to announce that our new school mobile Parentmail App is ready for use and you can receive school messages direct to your phone!

Our new website will go live after February half term and will include an online calendar and blog.

We'd like to encourage ALL parents to download our school Parentmail App as there are a number of benefits both to you and for our school:

- It's free for parents to download!
- All school messages will be sent securely
- No need to search through a busy email inbox for important messages
- Read and respond to school messages at work, at home or on the go
- Every message sent arrives as an instant alert on your mobile.

To download the App for free from either the Apple APP store or the Google Play Store simply search 'Tonwell St Marys Primary'.

Please note, parents will need to be registered on ParentMail in order to access the App and will login with their existing account details.

If you have previously been using the ParentMail App, you can continue using it, or simply delete it and download the School App. Whichever App you choose to use you will continue to receive messages from us as you have done previously.

Safer Internet Day

Children will be carrying out work about safety on Tuesday 7th February and learning how to stay safe online. Children will have the opportunity to work in their 'House Groups' with other children from across the school for one session in the day. Please see the link below for more information.
