

In Literacy and Communication and Language we will be learning to...

- Learn to orally retell the story of the Little Brown Dinosaur, create story maps and roleplay the events and characters.
- Continue to extend our knowledge of phonics for reading and writing.
- Improve our letter formation.
- Use capital letters, full stops and finger spaces.
- Create our own stories both orally and on paper.
- Increasingly write sentences and captions independently.

EYFS - Curriculum Information  
Summer Term 2017  
**Dinosaur Discovery**

In Maths we will be learning to...

- Use number names and number language.
- Increase numeral recognition.
- Consolidate knowledge of 2D and 3D shapes.
- Solve addition and subtraction number problems.
- Solve number problems including doubling, halving and sharing.

Questions we'll be asking...

- What did dinosaurs eat and drink? Where did they live? When did they live?
- Can you half the number of dinosaurs? Can you double it?
- Can you dig for bones? What animal do you think you have found? Can you put it together for our museum roleplay?
- Which is the heaviest bone? Which is the longest? How long is it?
- Can you design, make and evaluate a dinosaur habitat?

Reminders...

- Please hear your child read every day.
- Please practise counting in every day contexts and highlight numerals.
- Use time language, emphasizing days, months and seasons.
- PE is on Monday morning.
- Forest Schools is on a Friday.
