Ash Class Newsletter

11th May 2018

We have really enjoyed the last two weeks learning more about the Little Red Hen, chicks and tadpoles. Here are some of our highlights:

CLL: We have innovated 'The Little Red Hen' story, wrote signs for our chicks and used our new outdoor writing tool kits to mark make.

Maths: In reception we have continued our focus on subtraction, then moved on to number bonds and counting in 2's, 5's and 10's. In nursery we have worked on our counting, numeral and numicon skills.

Understanding the World: We have made playdough at our new playdough station, following instructions and using different measuring techniques. We have also been watching our chicks grow rapidly! We have learnt about chick life cycles.

Expressive Arts and Design: We have made bread like the Little Red Hen, illustrated our stories and danced with a specialist teacher.

Here are a few topic related activity ideas to try at home:

- Play a story game together: one person says one sentence then the other says the next to build a story. Make this more tricky by saying one word each, or easier by asking your child for to fill in the gaps in your story.
- Make an animal mask at home using a paper plate.
- Work on handwriting using the letterjoin app. Contact me if you need a reminder of your child's login.

Have you tried any of the activities or noticed your child talking about any of the topics we have been learning about recently? If so, please let us know below:

Many thanks,
Hannah Robinson-Moore
