Ash Class Newsletter

21st September 2018

We have had a fantastic time in Ash Class over the past few weeks and have loved getting to know each other!

Literacy: We have practiced recognising and writing our names, hearing the initial sounds and learning the stories of the Mixed up Chameleon, the Hungry Caterpillar and Monkey Puzzle.

Maths: We have been exploring number over the past few weeks, familiarizing ourselves with numicon and careful counting. We have also been using our maths practically in roleplay, number hunting and calendar time.

Understanding the World: We have found a caterpillar in our outside area, used a laptop, explored the forest and talked about our families and lives.

Expressive Arts and Design: We have really enjoyed doing chameleon collages, and making Monkey Puzzle masks.

Here are a few topic related activity ideas to try at home:

- Read a Julia Donaldson book together and discuss characters, setting and plot.
- Go on a walk and see if you can spot any caterpillars, or other types of wildlife. Take a photo and bring it in to share with everyone else!
- Practice our phonics from this week: s, a, p. How many words starting with the sound can you think of? Can you write the letter?
- If possible, we would really appreciate your child bringing in a baby photograph

Have you tried any of the activities or noticed your child talking about any of the topics we have been learning about recently?

If so, please let us know below:

Many thanks,
Hannah Robinson-Moore
