## PE and Sports Premium Statement 2018-19

### Vision and Objectives of The Primary PE and Sports Premium

#### VISION

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

#### OBJECTIVES:

To make additional and sustainable improvements to the quality of PE and sport on offer.

To use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

### Expectations

**It is expected that schools will see an improvement against the following 5 PE and Sport Premium Key Outcome Indicators:**

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

At Tonwell St Mary's School we aim to provide the children with sporting activities that develop personal fitness, co-operate and competitive skills, as well as the development and progression of skills such as aiming, kicking, throwing and catching. We value sporting opportunities of both a competitive and non-competitive nature. We provide a varied curriculum across the whole school and work closely with the Hertford and Ware Sports Partnership. The Sports Premium grant is utilised in a range of ways at Tonwell St Mary's in order to make sustainable improvements to the quality of provision for PE and Sport.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>• Consistently positive attitudes to PE and sport from children across the school evidenced by pupil voice questionnaires and high levels of participation</li> <li>• High take up of extra-curricular clubs and activities. All children benefitted from attending a lunch or after school sports club last academic year</li> <li>• Increased participation in competitive/high profile sporting events from PPG children who were previously less engaged.</li> <li>• School achieved the school games 'Gold Mark' for PE last two academic years.</li> <li>• School took part in a larger number of Sports Partnership events than ever before: KS1 and reception multisports festivals x 2, KS2 multisports festivals x 2, dance festival at Hertford Theatre, Tag Rugby tournament, Football tournament, District Athletics at Wodson Park, Cluster Sports Athletics at Puller School, Sports Ambassador Training sessions x 2, MSA training.</li> <li>• Two Y6 sports ambassadors were voted in by the children. They planned and led sports day, Sports Relief Skipping Challenge, reviewed and improved the Monday Mile and continued to develop playground games.</li> <li>• 9 KS2 children took part in a week of outdoor and adventurous activities on the residential school journey.</li> <li>• Forest School was opened with children taking part in outdoor learning at least once per week.</li> <li>• Link with specialist dance teacher has improved provision with all children accessing at least ½ term's teaching.</li> <li>• Opportunities for physical development at lunchtime have improved with 2 members of staff now employed.</li> </ul>	<ul style="list-style-type: none"> <li>• Observations of PE coach show dance to be a relative weakness in teaching. Pupil voice questionnaire shows that children would like more dance in the curriculum.</li> <li>• Opportunities for physical development at lunchtime would be further enhanced with more training for MSAs and the continuation of having two members of staff.</li> <li>• PE equipment such as gymnastic mats need replacing.</li> <li>• Equipment in EYFS for physical development needs replacing or updating.</li> <li>• Children would benefit from aspirational visits/trips to promote PE and to help introduce children to a broader range of sports. Questionnaires show that children currently attend football, martial arts, dance and gym sports clubs out of school.</li> </ul>

Meeting national curriculum requirements for swimming and water safety (based on 6 children in Y6 for 2017/18)	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	67%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	67%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	83%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No
