Value of the term : Friendship

Dear Parents,

It has been an absolute pleasure to return from my maternity leave to such a warm welcome from you all. The best part of coming back has been catching up with your wonderful children – I have really missed them over the past six months! My working days will be Mondays, Tuesdays and Fridays. I am looking forward to a busy and productive term ahead but wish you a relaxing Easter break over the next two weeks. Children start back on Wednesday 24th April.

Mrs Keddie and I will be continuing our handover and her last official day in school will be Monday 29th April.

I have included some key dates for the Summer Term and attached other documents for your information.

Save the date : Summer Fayre is on June 15th from 1pm -4pm.

If you are able to provide the equipment and run a BBQ for the event please let Mrs Moorehead know as we think this would be a great addition to the day. Thank you for the donations of crockery for the crockery smash that we have had so far – please keep them coming! We still need a shelf if you can donate one. Please start thinking about who you can ask for raffle prizes and, over Easter holidays, have a look for those unwanted presents for anything suitable for a raffle prize or the white elephant stall. Nearer the time, we will need donations of homemade cakes and biscuits. All help is greatly appreciated.

Mrs Robinson Moore's Project

Over the past academic year, Mrs Robinson-Moore has been working hard on her Masters Degree in Cambridge. As part her course, she will be setting up a project for children to work with older people. Please see the attached document for more details.

Transition

It may feel early to be thinking about your child moving up to the next yeargroup but we will be beginning to prepare the children after May half term. We are hosting a free workshop for parents 'Predict, Prepare, Prevent', which aims to help parents prepare their children for the new school year. Please see the attached flyer for more details.
