

Tonwell St Mary's PE and Sport Premium Plan 2020-2021

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Consistently positive attitudes to PE and sport from children across the school evidenced by pupil voice questionnaires and high levels of participation • Good up of extra-curricular clubs and activities. All children benefitted from attending a lunch or after school sports club last academic year • School achieved the school games 'Gold Mark' for PE last three academic years. • School took part in a variety of Sports Partnership events now embedded as a regular part of the school's annual timetable : KS1 and reception multisports festivals x 1, KS2 multisports festivals x 1, dance festival at Hertford Theatre. Other events were scheduled but did not take place due to COVID-19: Tag Rugby tournament, District Athletics at Wodson Park, Cluster Sports Athletics at Stapleford School, Sports Ambassador Training sessions. • Two Y6 sports ambassadors were voted in by the children. • 9 KS2 children took part in a week of outdoor and adventurous activities on the residential school journey. • Forest School was used regularly with all children taking part in outdoor learning at least once per week. • Link with specialist dance teacher has improved provision with all children accessing weekly dance sessions with a focus on fitness • Lockdown enabled children to experience a variety of sport and PE activities, including those promoted by school: Joe Wicks, Oti Mabusi, Cosmic Kids, learning to ride bikes, fundraising walks/bike rides, daily walks in countryside/around houses • Growth mindset PE wow visit was very popular and feedback from staff, children and parents was that it was very inspiring. 	<ul style="list-style-type: none"> • Lockdown resulted in some children having limited exercise for a prolonged period of time and increased levels of anxiety. • Observations show that variety of outdoor activities at lunchtime had reduced due to lack of quality equipment. EY advisor recommended monkey bars to improve children's arm/shoulder strength. Pupil voice showed children would like other activities: new playground equipment and monkey bars to be purchased. New storage to be purchased to keep equipment in better condition and more easily accessible for children. • Pupil voice showed some children do not enjoy the Monday Mile during lunchtimes. This need to be relaunched and reinvigorated. • Observations show that gymnastics tables are not being used effectively due to the size/condition. New tables of varying sizes to be purchased. • Growth mindset PE wow day was very successful and is to be repeated regularly with different sport. • School was due to host Cluster Sports event for local small schools. This will now take place in summer 2021 and will involve competition between 4 small schools. • Transport continues to be an issue for attending sports events due to the geographical location of the school and cost of minibuses/coaches. • Observations of PE lessons, Monday Mile and information from National Child Measurement Programme show that approximately 30% of children are lacking in fitness and may be overweight.

Tonwell St Mary's PE and Sport Premium Plan 2020-2021

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	100%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
<p>PLEASE NOTE THAT THERE WAS NO UNDERSPEND FOR THE YEAR 2019/2020. THERE IS A £420 SAVING FOR THE PLANNED SPEND IN 2020/2021 DUE TO REDUCED CHARGE FOR SPORTS PARTNERSHIP. This saving will be used to cover part of the cost of employing an extra temporary MSA.</p>
